Learn Your Numbers For Optimal Health

Earn \$100 annually for completing a biometric screening

Biometric screenings are short health exams that include bloodwork, blood pressure and body measurements, which is key data to reduce health risks and improve overall well-being.

Obtain your numbers:

Physician ordered:

- If ordered at a Quest or Labcorp facility, data will automatically transfer to your myCigna account within 10 business days
- If ordered at an alternate facility, ask your physician to complete a [Wellness Screening Form](#) that you can submit to Cigna for your incentive

Virtual Care:

- Self-register for a biometric screening as part of your virtual Wellness Screening with MDLIVE (see right). This data will automatically transfer to your myCigna account within 10 business days.

Biometric screening incentives can be earned any time between 7/1 and 6/30 each plan year

LAB WORK FOR VIRTUAL WELLNESS SCREENING
