VACCINE CLINICS

Schedule on-site vaccine clinics for employees & their families

Scheduling an on-site vaccine clinic for your employees and their families is a great way to help your staff guard themselves and loved ones from flu, Covid-19, shingles and more. There are numerous vendors around New Hampshire who are available to conduct on-site clinics on dates and times that work best for your group. Below are some of the available in-network pharmacy options who are eager to work with groups to schedule vaccine clinics for the fall.
