

Fertility and Family Building

Progyny coverage provided as part of your SchoolCare/Cigna Healthcare medical plan

Comprehensive Coverage

Fertility treatment (e.g., IUI, IVF, etc.) and family-building services for every unique path to parenthood.

Personalized Support

1:1 support from a Progyny Care Advocate (PCA) for expert guidance on your care journey.

High Quality Care

Convenient access to a network of top fertility specialists across the US.

Your Progyny benefit has been specifically designed to give you the best chance of fulfilling your dreams of family. No matter where you're at on your journey, you can lean on Progyny.

Your fertility treatment coverage is bundled into the **Progyny Smart Cycle**, our easy-to-use benefit currency. Each treatment type is valued as a portion of a Smart Cycle and includes all the covered services, tests, and treatments needed for standard care.

Your Progyny coverage includes:

- **Preconception and trying-to-conceive support** through coaching and digital resources
- **3 Smart Cycles** per family per lifetime for fertility treatment coverage (e.g., IUI, IVF, etc.)
- **Reproductive urology services** for sperm-related treatments
- **Progyny Rx** fertility medication coverage
- **Fertility preservation** coverage for egg and sperm freezing
- **Donor tissue** coverage for egg and sperm tissue purchase

Progyny coverage is available to SchoolCare employees and spouses enrolled in a Cigna Healthcare® medical plan*. Domestic partners may be eligible depending on your employer. Providers in-network with Progyny are included as in-network with your Cigna Healthcare plan. Standard copays and deductibles may apply as noted in your medical plan documents.

*Your Progyny benefit balance may be reduced based on utilization of your prior fertility benefit. Contact your PCA to learn more.
