Wellness seminars and management trainings are an important part of the Employee Assistance Program (EAP) benefit.

Cigna EAP offers a broad range of seminars to help your employees and managers reduce stress, stay healthy and perform at their best – which helps your organization perform at its best, too.

Our seminars help employees optimize their total health – physical, emotional and social – so they can come to work focused, positive and ready to perform at their full potential.

For these reasons, we have developed a wellness seminar and management training catalog with over 150 topics to offer to your employees. These seminars have been researched and developed in consultation with experts in their field. Our seminar presenters are licensed clinicians and professional speakers with extensive experience in the field of employee assistance and counseling.

Our wellness seminars are one hour in length, with some topics available as 30-minute options. Management trainings are one to one and a half hours.

Wellness seminars include a combination of lecture, discussion, experiential exercises and handouts.
PLANNING A SEMINAR

How to make a request
To request a seminar for your employees, please call 1-800-562-5254 ext 302 or email jcampo@schoolcare.org

Employer Service Hours

Please be aware of your organization’s policy governing the use of Employer Service Hours (ESH).

• Is there a pre-approval protocol?
• How many ESHs are you authorized to use?
• How many ESHs remain in your plan year?

The seminar times listed are approximate. If a seminar/training exceeds the time frame, Employer Service Hours will be deducted for the overage. Please discuss any time concerns you have with the Employer Service Coordinator team.

Webinar/Virtual Formats

Seminar topics are also available to be presented in a webinar format. This is an excellent way to meet training needs for remote employees. Your organization is responsible for all technology to support webinar delivery.

These are scheduled in the same manner as our in-person trainings. They are facilitated by a specialized group of presenters who are experts in remote delivery of our wellness seminars.

Cigna seminar materials are copyrighted and cannot be recorded, modified or reproduced.
PRE-SEMINAR TO-DO LIST

Plan ahead

Please allow at least 4 weeks notice (6 to 8 weeks notice for legal or financial seminars) to allow enough time to organize an effective seminar for your organization.

Organizing a successful seminar or training event takes about six weeks of planning - from selecting a topic and confirming the date to communicating the details and coordinating necessary rooms and equipment.

The following page offers a suggested six-week to-do list which begins with an annual review of your training needs and ends with a completed seminar evaluation.

As you review your organization’s training needs, it’s important to consider:

• Offering orientations to the EAP to better understand the benefit
• Mandatory training needs
• New hire and/or new supervisor trainings
• Recurring issues in the workforce that a seminar might address (e.g., parenting or senior care problems, diversity, stress management)

- Check sign-up sheet to estimate the number of participants
- Order refreshments if desired

Send reminder notices through identified communication channels
