

## Join a Teams Meeting without a Teams Account

### Desktop

1. Go to the registration confirmation in your email and **click the link** to be directed to the meeting.
2. Choose **Continue in this browser**. You can use either Microsoft Edge or Google Chrome. **NOTE:** If prompted, you may allow Teams to use your camera, but we ask that you please **mute your mic** to limit potential background noise.
3. Enter your name and choose your audio and video settings. Once ready, click **Join now**.

### Mobile

1. Go to your registration confirmation email and **click the meeting link**. You'll be taken to your app store to download the Teams Mobile App.
2. **Download the app** and open it right from the app store page. **NOTE:** If prompted, you may allow Teams to use your camera, but we ask that you please **mute your mic** to limit potential background noise.
3. Next, choose **Join as a guest**. Then **type your name** and click **Join meeting**.
