Learn Your Numbers For Optimal Health

*Earn \$150 annually for completing
a biometric screening*

Biometric screenings are short health exams that include bloodwork, blood pressure and body measurements, which is key data to reduce health risks and improve overall well-being.

Obtain your numbers:

Physician ordered:

- If ordered at a Quest or Labcorp facility, data will automatically transfer to your myCigna account within 10 business days (*available to SCHOOLCARE/Cigna medical participants only*)
- If ordered at an alternate facility, ask your physician to complete a Physician Lab Form then submit to Cigna for incentive

Self-ordered labs:

- SCHOOLCARE has partnered with Quest Patient Services Centers (PSCs) to allow all subscribers and spouses to self-register for biometric screenings. This data will automatically transfer to your myCigna account within 10 business days.
